

New Source Review newspaper advertisements for construction permit applications, March 9, 2017. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be or were published on one of the following dates: March 8, 2017, or March 9, 2017. Public notices are generally published every week. The previous publication of public notices was March 2, 2017.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Spann Funeral Home with a mailing address of 1961 Highway 48 N, Dickson, TN 37055. They seek to obtain an air contaminant permit (Division identification number: 22-0201-01/72544) for construction of a crematory operation located at 1961 Highway 48 N, Dickson, TN 37055. This proposed operation would consist of a crematory and associated equipment used to incinerate human remains. Natural gas would be used for fuel. A secondary chamber would be used for emissions control. There would be physical construction and regulated air contaminants would be emitted by this source. Mr. B. Hall is the assigned Division person.

For the Dickson County "The Dickson Herald"-- publish once on Wednesday, March 8, 2017.

The applicant is Huf North America Automotive Parts Manufacturing, Corp. with a mailing address of 395 T. Elmer Cox Drive, Greeneville, TN 37743. They seek to obtain an air contaminant permit for modification of a surface coating operation with a paint sludge recovery operation (Division identification number: 30-0262-02/ 71903) located at the same address. The emission limit for a regulated air contaminant (volatile organic compounds) emitted by this source will increase. A thermal oxidizer is used for pollution control. There will not be physical construction. Regulated air contaminants are emitted by this source. Mr. John Trimmer is the assigned Division person.

For the Greene County "Greeneville Sun"-- publish once on Thursday, March 9, 2017.

The applicant is Kroger Limited Partnership I with a mailing address of 800 Ridge Lake Blvd., Memphis, TN 38120. They seek to obtain a construction permit (Division identification number: 57-0420-01/72487 for construction of a gas dispensing facility located at 41 Stonebrook Place, Jackson, TN 38305. This proposed operation would consist of three (3) underground storage tanks and eighteen (18) gasoline nozzles. Stage I gasoline vapor recovery would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. B. Hall is the assigned Division person.

For the Madison County "Jackson Sun"-- publish once on Thursday, March 9, 2017.

The applicant is Volunteer Concrete, LLC with a mailing address of 750 Hwy 99, Lewisburg, TN 37091, Lewisburg, Tennessee 37091. They seek to obtain air contaminant permit(s) (Division identification number(s): 59-0149-01/972498 for installation of a new Ready Mix Concrete Plant Operation which includes (3) Cementitious material silos and a dry mix concrete batch plant. Fabric filter control will be utilized. The facility is located on 750 Hwy 99, Lewisburg, TN 37091. The requested operation is for the approval to emit regulated air pollutants. Mr. Jim A. Attar is the assigned Division person.

For the Marshall County "Lewisburg Tribune"-- publish once on Wednesday, March 8, 2017.

The applicant is Letica Corporation with a mailing address of 2593 Old Russellville Pike, Clarksville, TN 37040. They seek to obtain an air contaminant permit (Division identification number: 63-0144-07/971723) for an existing natural gas-fired boiler located at the same address. The 12.5 MMBtu/hr. boiler is used for institutional comfort heating. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants are emitted by this source.

Ms. J. Pratt is the assigned Division person.

For Montgomery County "Leaf-Chronicle"-- publish once on Thursday, March 9, 2017.

The applicant is Speedway LLC dba Speedway 7118 with a mailing address of 500 Speedway Drive, Enon, OH 45323. They seek to obtain an air contaminant permit (Division identification number: 75-0733-01/72506) for construction of a Gasoline Dispensing Facility located at 1261 South Lowry Street, Smyrna, TN 37167. This proposed operation would consist of four (4) underground gasoline storage tanks and associated gasoline dispensing equipment. Submerged filling would be used for gasoline emission control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. H. Flores is the assigned Division person.

For the Rutherford County "Daily News Journal"-- publish once on Thursday, March 9, 2017.

The applicant is Kennametal, Inc. with a mailing address of 128 Roweland Dr., Johnson City, TN 37601. The facility seeks to obtain an air contaminant permit (90-0203/972515) for construction of a surface coating operation for coating graphite boards, used for tooling systems applications, at the aforementioned address. The proposed operation will consist of one (1) Scuffer (Source 14) for polishing and brushing boards prior to spraying; and one (1) spray booth (Source 15) for coating and spraying the boards. Two (2) electric ovens will be used as the drying application. Air contaminants will be emitted and controlled with a wet scrubber and fabric filter. Tawanna F. Reid is the assigned Division person.

For the Washington County "Johnson City Press"-- publish once on Thursday, March 9, 2017.

The applicant is Summers-Taylor Materials Company with a mailing address of 300 West Elk Avenue, Elizabethton, TN 37644. They seek to obtain an air contaminant permit (Division identification number: 90-0423-01/72417) for the modification of a Concrete Batch Plant located at 102 South Broadway Street, Johnson City, TN 37601. This existing operation consists of cement and fly ash with two (2) storage silos, conveyors, and filter cartridges for producing ready mix concrete. A baghouse (fabric filter) is used for pollution control. This requested modification is for the addition of a storage silo and increase material input rate. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. J. Horton is the assigned Division person.

For the Washington County "Johnson City Press"-- publish once on Thursday, March 9, 2017.
